

**MANCHESTER, SALFORD AND TRAFFORD NHS LIFT**

**ANNEX TO MEMORANDUM OF INFORMATION**

## 1 Introduction

### 1.1 Background

This Annex to the MoI is issued to answer specific queries raised in response to the OJEU Notification, the PQQ document and the MoI.

## 2 Selection Criteria and Weightings

### 2.1 PQQ Selection Criteria

PQQ submissions will be assessed on the basis of technical capability and capacity to undertake schemes of this type.

Submitted PQQs will be assessed against Initial Pass/Fail criteria, including:

- Appropriate level of relevant resources
- Appropriate experience
- General requirements of submission requirements met
- Economic standing and accounts (where not submitted with PQQ, details of three years summary accounts to be called from parties passing the three Pass/Fail criteria listed above).
- Appropriate insurances (where not submitted with PQQ, details of relevant employers and public liability and professional indemnity insurances to be called from parties passing the first three Pass/Fail criteria listed above).

Those passing the Initial Pass/Fail criteria will be assessed against the following selection Criteria:

	<b>Weighting</b>	<b>Assessed by</b>
Value for Money	30%	Not scored at PQQ.
Quality	25%	Assessment based on A13 to A24 and Section B of PQQ return.
Partnership Working	25%	Assessment based on relevant experience as evidenced by A5 to A11 of the PQQ return.
Continual improvements	20%	Assessment based on relevant experience as evidenced by A5 to A8 and A11 of the PQQ return.

## 3 Proposed LIFT Developments

### 3.1 Miles Platting Project

The Memorandum of Information gives a list of schemes planned over the next 18 months which includes the Miles Platting project at circa 2,000m<sup>2</sup>. It is now likely that this project will be progressed prior to the appointment of a Construction Partner under this procurement process and so will be excluded from this Market Test.
